KAOO RUNNING WELL "UNDER WRAPS" AND PLEASES TOUTS

OLD WAIALUA HORSE DOES NO SPECTACULAR WORK
BUT COVERS MILES AT STEADY, EVEN PACE—KING
WILL HAVE TO BE SPEEDY MAN TO BEAT ANTONE.

If offers to wager fabulous amounts on Kaoo are any criterion, there are many Honolulu people who consider that the old Waialua Horse has a great show against Soldier King. The Hawaiians will be with Kaoo to a man, and they will not listen to any suggestion that he might be defeated.

The old Hawaiian champion is being trained by the only Bill Rice, and the speedy schoolboy ped knows a thing or two about the game. Kaoo has been doing great work over ten and fifteen miles, and a though he is not speeding up to any great extent, he is putting in solid licks that show that he is in good condition.

Kaoo keeps up his regular style of easy running, and does mile after mile at the same easy pace that he used to show when racing against the cracks last year. It is sure that the old fellow can increase his pace if he wants to, and then King will be up against both a stayer and a sprinter.

At the Boys' Field, Kaoo has done some fine runs lately, and Simerson, Rice & Co. are very well satisfied with the showing made by the old fellow. Although not so spectacular as King, Kaoo does some excellent running, and the race on Sunday next is not going to be such a run-away affair as some overconfident people seem to imagine it will be.

Kaoo a Stayer.
The local runner is able to stay for a week, and as he is determined to stick close to King right through the race, till it is time to sprint away for the tape, it only remains to remark that if Kaoo is alongside King anywhere near the finish, there will be but one end to it, and that will be Kaoo first and King second.

But the question is, Can the old man keep up with King over a fast-run ten miles? It will be at the ten-mile post that the spectators will be able to see how the chances are. If King has gained a lap by that time, there is no hope, barring accidents, of Kaoo winning. If Kaoo can hang on for the distance, there is no telling how the last five miles will be run, and, as stated before, if the men are together a lap or so from the finish, Kaoo will win for a certainty.

All Hawaii is interested in the coming race, and there should be a great crowd present when the men are sent off on their long journey. The army will be represented in force, and many hundreds of soldiers will come in from all the forts to see King run.

Track Being Prepared.
The Athletic Park track is being measured, and stakes to hold the ropes put in position. The rough places are being leveled off and the soft spots filled in with earth. The scoring arrangements will be good, and the officials who have charge of the race will see to it that everything is carried out successfully.

The arrangement as to seats is being thought out, and as the soldiers are yelling out for the best that can be obtained, and claim that they don't want any two-bit bench, the probabilities are that the whole of one side of the ground will be reserved for them. This is not definitely settled yet, but today and tomorrow the scheme will be worked out.

That everything will be O. K. is certain. Only one thing can spoil the affair, and that is a heavy fall of rain. The Athletic Park is more or less of a swimming pond after a decent fall of rain, and for days afterwards it remains in a muddie condition.

Track Is O. K.
However, at present the track is all right, and a course sufficiently wide has been fixed up right around the ground. It will take six laps to equal a mile, and consequently the runners will have to do ninety laps in order to cover the fifteen miles. There is no doubt that both the men will be able to do the full distance without stopping for any rub-down or any other kind of help.

On Sunday night King will run at the skating rink, and he will tackle Jackson and another runner over five miles. This event will come off no

matter how the fifteen-mile race in the afternoon ends. King is nothing if not a worker, and he is doing something all the time. He will have to return to the mainland before long, but will return early next year, and then will be ready to tackle anybody over the full Marathon distance.

BOXERS ARE TALKING AGAIN OF BOUTS

Reilly May Get Match With
Dan Sullivan.

There is a chance of Charlie Reilly and Dan Sullivan meeting in the squared circle in the near future. A well-known man is thinking of bringing off a boxing show, and he is looking around for a location. One place has been spoken of, but it is not certain if the hall can be secured for boxing purposes.

Of course, should Eddie Madison blow in on the Sierra or Mongolia, he will have first cut at Reilly. Madison waited for Reilly or Dick Cullen for a long time, and it was hard luck that he just missed Charlie, who arrived the day after the other man had left for the Coast.

Reilly is willing enough to have a go at any of the bunch, but he feels that Madison is the man who should get the first say. If Madison does not return soon, then the Sullivan-Reilly bout may be arranged.

COMING EVENTS.

Secretaries and managers of athletic clubs are invited to send in the dates of any events which they may be getting up, for insertion under the above head.

Address all communications to the Sporting Editor, Bulletin.

HEALANI STAR MEN AT WORK

SHELL RACE WILL
BE ON SATURDAY

Great Interest In Event Shown.
Pair-Oar Men Did Fine
Stunt Yesterday — Skipper
and Bosun at Their Best.

Rowing is all the rage nowadays, and every afternoon a bunch of oarsmen go down to the Healani boat club and do some strenuous stunts on the water and also, sometimes, in it. Rumors have reached Honolulu that Dick Arnet and Richard Barry, the pair who lately contested for the world's sculling championship, will be passing through soon, on their way to Australia. The Healani are always up to date, and as soon as the news was heard, two prominent oarsmen were selected and ordered to get into training at once. Skipper Bill Kinsela and Bosun Johnson are the men who will go up against the champions, if they happen to touch at Honolulu.

The pair were out last night, and the form they showed was something to be remembered for all time. The Bosun stroked, and the Skipper got as much of himself as he could into the boat. Then a fast spurt was indulged in, and, according to Bert Lightfoot, the pair struck up a 12-stroke gait, that made it seem as if the boat were actually moving. Old warhorse Mayne nearly fell dead when he saw the performance, and it was some time till he could be brought around. He went off in another faint when he heard the names of the oarsmen. At latest Mayne was reported to be doing as well as could be expected, considering the frightful shock to the nerves he got when he saw the pair he thought were safely doing shadow sparring acts in the clubhouse, out on the water alone.

Other members of the Healani are figuring on what they should do in case any more of the oldtimers should get into harness again. The boat club should be crowded this afternoon, and it is expected that the champions will have a hundred yard tryout.

The shell race that was scheduled for Sunday next will be rowed on Saturday instead, and the same three crews that competed last Sunday will take part in it. The "Long Ones" are expected to win again, but the race should be closer than before.

DOTS AND DASHES.

There will be a meeting of the Hawaiian Association Football League this evening at the Thistle Club, Young Hotel, and all those interested in the game are requested to attend at 8 o'clock.

On Sunday there will be a great day's sport at the Country Club, and the usual bunch will be on hand all day. Lunch will be provided and all the good things will be spread on the tables.

There is some talk of the St. Louis College Alumni getting a football team together. That would be a good move, and it is to be hoped that something is done in the matter.

The flag-raising ceremonies at the county jail on Tuesday morning next promise to be a real up-to-date affair, and Host Asch has issued invitations to a number of guests.

All the football teams are getting into condition for the coming season, and both the soccer and American style of players are hard at work.

At 3 o'clock this afternoon Soldier King will be at the Athletic Park and he will do a run over some ten miles or so.

The Kaoo-King foot race will start at half-past two o'clock sharp on Sunday afternoon.
